

HygienaClad - Altro Whiterock Chameleon

The chameleon range has a wide variety of solid colours with a high gloss finish that allow the Altro Whiterock to be installed in a variety of environments. Apart from the chameleon range shown it also includes a further 12 colours in the range (see HCWR_C1001 & HCWR_C3001)

The chameleon range provides two part jointing strips that are patterned to match the sheets.
